MEMORANDUM FOR: Associate Deputy to the DCI for
the Intelligence Community

SUBJECT : Dr. Teller and Soviet Accuracy

Per your 17 December 1974 memorandum, I have made arrangements with Wheaton Byers for a session with Dr. Teller on 5 February. The meeting will take place in Mr. Byers' office at 2:30. I will have present a couple of our analysts who are well versed in the data available and methodologies used in determining Soviet accuracies.
